DESIGN A CHRISTMAS CARD COMPETITION

VB & VC
Primary school
IC Gallicano nel Lazio

The poster is for the British Embassy Christmas Card Competition. It features a festive design with holly leaves and berries at the top. The British Royal Coat of Arms is centered at the top, with the text 'British Embassy' below it. To the left is the Union Jack flag and to the right is the Italian flag. The title 'Christmas Card Competition' is written in a large, elegant red script. Below the title, the theme is stated in red: 'Theme: "Christmas Traditions in the United Kingdom and Italy"'. The text then invites students to be creative and take part in a very British tradition, stating that the competition is open to all students. It then lists the steps to enter the competition: 1. Design your card with the theme: "Christmas Traditions in the United Kingdom and Italy", 2. You can hand draw a Christmas Card and write a short message on the cover in English. All designs should be one-sided. 3. Take a photo of the card and upload it onto the padlet wall. 4. Write only your first name, age, class and name of school and town in the information box. Below the list, it states the categories for entries are: Primary School, Lower Secondary School, and Upper Secondary School. It then mentions that there will be a card from each category chosen by the Ambassador. The winners will be invited to Villa Wolkonsky, the Ambassador's Residence in Rome, on December 14th with their family and teacher, for carol singing. All participants will receive a special certificate of participation and an eChristmas Card from the Ambassador and the British Embassy. At the bottom, there are illustrations of a Christmas cake and a mince pie. A red circular badge with a white ribbon bow at the top contains the text 'Deadline for the entries on padlet 30th Nov'.
