

Class IV B
Primary school
Galliciano nel Lazio

VectorStock.com/20568427

We are thrilled to share the fantastic work accomplished by the students of Class IV B! Our recent creative workshop was an exciting journey into the heart of Japan, focusing on its rich culture and iconic symbols. During this hands-on session, the students immersed themselves in various artistic activities, exploring the meanings and stories behind Japan's most famous symbols. This workshop was a wonderful opportunity for our students to express their creativity while deepening their understanding of a vibrant and unique culture.
